COMMITTEE REPORTS:

Referee Committee – Joseph Streb, Chairman of the Referee Committee reported that a referee seminar and practical examination was held at Royal Arts on September 28 and 29 with Sean Shumate, and several persons received referee ratings. Those referees are encouraged to continue to work to improve and to consider volunteering to referee at the 2019 Summer Nationals in Columbus. Otherwise, it is expected that there will be referee training available at the 2019 Arnold Fencing Classic.

Nominating Committee – (Streb, Simonian, Hunker): No report.

MATTERS OF DISCUSSION (No Formal Action):

MEMBERSHIPS: If they have not already done so, Board members were reminded to renew USA Fencing Memberships and to be Safesport certified. Further, as per the resolution passed on April 29, 2018, the Division will reimburse members for the extra cost of obtaining the +Coach or +CheckED (formerly Professional) Membership, upon request.

OSU FENCING: The Chairman reported on more coaching changes, to the The Ohio State University Varsity Fencing Program. Some discussion ensued. There was also some discussion regarding a persistent rumor that one local club believes it will be a branch of the OSU Fencing Program. It is unknown at this time whether there is any truth to this. It is also unknown whether it would be appropriate for OSU to fund a private fencing club or to participate in any way.

2019 OHIO HIGH SCHOOL FENCING CHAMPIONSHIPS: In connection with the coaching changes at OSU and last years' experience with the OSU Facilities and Compliance Offices, the potential use of the Steelwood facility for the 2018 Ohio High School Championship was discussed. It was determined that we should inquire early regarding the use of the Steelwood facility in order to know in advance whether a different venue will be required. If a different venue is required, the event will be hosted at Royal Arts. Mr. Hunker has volunteered to follow-up.

NEW USA FENCING RULE(S): As mentioned at the August 5th meeting, commencing August 1, 2018, all referees for certified USA Fencing events (meaning events where fencer ratings may be awarded) must be licensed and rated fencing officials.

Further, a new rule with respect to chest protectors is now in effect. Essentially, the new rule requires that chest protection for foil fencers must be covered with soft material. Referees are to check for compliance; however, if a fencer believes this check could be invasive, the fencer may obtain an external marker or card from the bout committee or armorer certifying compliance.

FINANCIAL REPORTING: Pursuant to a Memo from Bob Bodor, Director of Member Services for USA Fencing, the organization intends to require “an accurate annual bank statement (along with regular financial report) NEXT AUGUST.” According to Mr. Bodor, this is an effort to better organize all accounting as it relates to Divisions. The matter was discussed in light of the fact that the Columbus Division USFA, Inc. is a chartered non-profit corporation under Ohio law with IRC 501(c)(3) tax exempt status and its own federal EIN. And, much of the Division’s funds have not originated with USA Fencing or its predecessor USFA. No action was taken at this time, but the consensus was to respond at some point with a letter setting forth the nature of the COD and asserting that its bank account information is trade secret and confidential.
